WHAT OTHER GROUND BREAKING CONTRACTORS ARE SAYING...

*I was frustrated with the claims handling once my equipment was stolen last year. I did not have coverage for Replacement Cost and rented equipment after claim. Greg gave me both of these coverages as well as Faulty Workmanship and an opportunity to receive a Safety Dividend of at least 7%.
Mike Bella - Bella Lawn and Landscape, LLC*

*Greg just saved us 17% and gave us Faulty Workmanship coverage for the hardscape we do as well as now being O.D.A compliant with the new regulations.
Ed Lechler - Rock Bottom Lawn Maintenance*
